ABOUT US

As a social enterprise with our core Fun and Fit Bike business on hold due to Covid-19, we are using our PPE and purchasing knowledge to help other organisations obtain best price certified products. All the products we source come from reputable European and UK suppliers at competitive prices, and this has enabled us to become a trusted supplier to Councils, care organisations and schools/colleges (full references available). You can read more about us and selecting the correct PPE for your working environment at funandfitbike.com/ppe
