

FUN FIT BIKE

Are you looking for a great way to engage your stakeholders at events, exhibitions, fundraisers?

See videos of the bike in action at <https://youtu.be/INrWTIGDNVM> or funandfitbike.com

If you're looking to capture the attention of customers, colleagues, and communities - in any setting - there's no better way than Fun and Fit Bike. Everyone loves making a pedal-powered fresh fruit juice, smoothie or shake and enjoying a safe, exercising cycle ride while they do so. Easy to operate and under a minute to make your drink.

FUN FIT BIKE

Enjoy a safe, exercising cycle ride and make a refreshing pedal-powered fresh fruit juice, shake or smoothie.

When you want to engage customers, colleagues and communities, a fun promotional activity is a great way to do so.

Fun and Fit Bike is the perfect choice for this. It instantly captures attention and participation, providing the platform for you to communicate your key messages.

Unique, fun, safe, and with magnet-like properties, you can use it at events, exhibitions, roadshows, fundraisers, team-builders, health and wellbeing days, to attract all your target audiences.

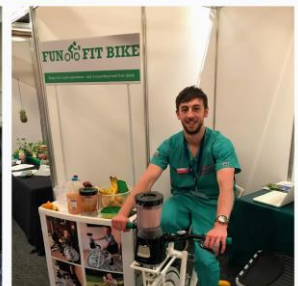

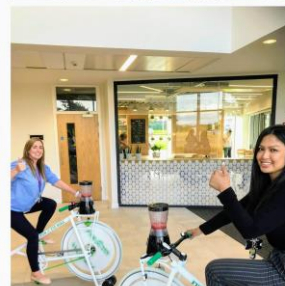

We provide a fully customised and hosted experience to achieve your objectives. Or we can support you to deliver your own experiences with our DIY hire service. Either way, it includes the option of full branding in your corporate style.

Your stakeholders will enjoy an exercising cycle ride and use their pedal power to make delicious fresh fruit juices, smoothies, shakes, and even mocktails – each one in under a minute! They can also participate in a variety of structured activities to improve their awareness of the importance of health and wellbeing - from fruit tasting and preparation to understanding the benefits of exercise and nutrition.

Our fully hosted service includes:

- **Fun and Fit Bike(s) - for all ages from 7+**
- **Event host(s) to deliver your experience**
- **Chilled and prepped fresh fruits and ingredients to make juices, smoothies, shakes and even mocktails - including drinks menus relating to your business or sector**
- **Display stand and preparation counter**
- **Biodegradable cups, lids, straws, napkins**
- **Additional optional activities, including structured health and wellbeing sessions, virtual reality cycle rides, Tour De France performance trials and renewable energy learning.**
- **Option for full branding in your organisation's style**
- **Full health, safety, and food hygiene compliance**

The Fun and Fit Bike is designed and manufactured in the UK to the highest standards of comfort and safety. For availability, bookings and further information, please contact us below.
